No. 397-L, effective on and after February 1, 1961, and redefined, insofar and only insofar as VGN SUA is concerned in Office of Conservation Order No. 397-L-8, effective on and after April 27, 1999.

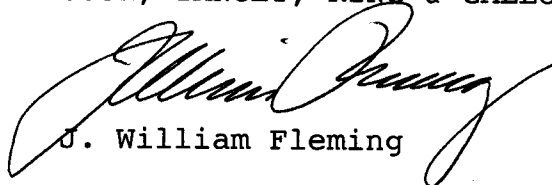

Any pertinent data relating to this matter can be obtained at the cost of the requesting party, from Ms. Mary Bentley, Ocean Energy, Inc., 1001 Fannin Street, Suite 1600, Houston, Texas 77002-6794, telephone number (713) 265-6795.

Pursuant to Office of Conservation regulations, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Monroe District of the Office of Conservation; however, the list of parties will be provided to any person requesting a copy of it. Also enclosed is the application fee for this matter.
